Protection of Personal Information Act (POPIA) Assessments and Implementations

UNDERSTAND AND ADDRESS THE IMPACT OF THE PROTECTION OF PERSONAL INFORMATION ACT

Our Personal Information Management Services aims to identify your Protection of Personal Information Act (no 4 of 2013), also known as POPIA, readiness gaps and builds competence in addressing these risks efficiently and effectively. The team will help you prove your POPIA compliance to clients, auditors and the information regulator.

Refer to our Payment Card Industry (PCI) Compliance solution for information specific to protecting payment card data against loss and fraud.
