It underpins all we say and do, from how we live our values to how we engage with you, our clients and all our stakeholders.

OUR LEGAL SERVICES

BDO Legal provides corporate and commercial legal services to a diverse range of businesses. We offer the same competencies and quality of service that one might expect from a stand-alone legal firm – however, our approach is to support and boost those businesses that often face resource constraints when seeking appropriate legal assistance.

Our legal services complement the firm's audit, accounting, tax and other advisory services. This means that transactions can be structured and managed from start to finish within the BDO group.

WHAT IS OUR AMBITION?

Driven by our own ambition, our clients' needs and a focus on delivering exceptional client service, we're working collaboratively across the world to offer innovative solutions and services to our clients. We're striving to become a much larger BDO, and to be seen as the only viable choice for our clients whose companies are looking to grow.

BDO IN SOUTH AFRICA

BDO South Africa's 1700 professionals are at your service – no matter where you do business. You will find us in Cape Town, Durban, Johannesburg, Nelspruit, Port Elizabeth, Pretoria, Roodepoort and Stellenbosch.

OUR PEOPLE

At BDO, we understand that exceptional service to our clients begins – and ends – with exceptional regard for our people.

- Partners and staff are accessible
- We encourage collaboration in an atmosphere of trust and cooperation, mentoring, consulting, and exchanging ideas
