## In-person Security Awareness Workshop

### EMPOWER EMPLOYEES TO BE YOUR GREATEST STRATEGIC DEFENCE PARTNER AGAINST CYBER ATTACKS

Protect your company's reputation, competitive advantage and operational stability against social engineering attacks with effective company-wide security awareness training. Our cyber security education programme sets employees up for success by instilling best practice knowledge and practical know-how into the workplace. Through integrated communication and engaging instructor-led training, BDO Cyber Lab can help your organisation fight cybercrime strategically that are beyond the scope of technology.

### WHAT IS SOCIAL ENGINEERING?

It's the art and science of tricking people into breaking normal security procedures and divulging sensitive company or personal information by:

- ▶ Visiting websites infected with malware
- ▶ Responding to phishing e-mails
- ▶ Storing login information in an unsecured location, ore even
- ▶ giving out sensitive information over the phone

BDO Advisory Services (Pty) Ltd, a South African company, is an affiliated company of BDO South Africa Inc, a South African company, which in turn is a member of BDO International Limited, a UK company limited by guarantee, and forms part of the international BDO network of independent member firms.
